Handling submission of invalid name:

The screenshot shows a web browser window with the address bar displaying "127.0.0.1:5500/prediction.html". The page contains a form with several input fields and a "PREDICT" button. A modal dialog box is open, displaying the error message: "127.0.0.1:5500 says: Name must contain only alphabets". The form fields are labeled as follows:

- Business loan**: A dropdown menu with a downward arrow.
- Enter LoanAmount**: A text input field containing the value "4000".
- Enter Loan_Amount_Term**: A text input field containing the value "39900".
- Enter Adhar Number**: A text input field containing the value "3338 4566 4332".
- Enter PAN card ID**: A text input field containing the value "336788".
- Property Document**: A text input field containing the value "Choose File" and a file name "rfscale9.pkl".
- Govet ID proof**: A text input field containing the value "Choose File" and a file name "rfscale9.pkl".

The "PREDICT" button is located at the bottom of the form.

Handling submission of large value:

[illegible]

Handling submission of invalid mobile number:

The screenshot shows a web browser window with the address bar displaying "127.0.0.1:5500/prediction.html". The page contains a form with the following elements:

- A dropdown menu for "purpose of loan" with "Business loan" selected.
- A modal dialog box with the text "127.0.0.1:5500 says" and "Please enter only 10 digit mobile number", with an "OK" button.
- An input field for "Enter LoanAmount" containing "ascdff".
- An input field for "Enter Loan_Amount_Term" containing "39900".
- An input field for "Enter Adhar Number" containing "3338 4566 4332".
- An input field for "Enter PAN card ID" containing "336788".
- A "Property Document" section with a "Choose File" button and the filename "rfscale9.pkl".
- A "Govet ID proof" section with a "Choose File" button and the filename "rfscale9.pkl".
- A red "PREDICT" button at the bottom.

Handling entering of alphabets in place of numeric field:

The screenshot shows the same web browser window, but with a different state:

- The "purpose of loan" dropdown now shows "-- select the purpose of loan".
- The modal dialog box now displays the error message "Enter only valid numbers alphabets are not allowed".
- The "Enter LoanAmount" input field now contains "IOOPP".
- The "Enter Loan_Amount_Term" input field now contains "24".
- The "Enter Adhar Number" input field now contains "1234576789012".
- The "Enter PAN card ID" input field now contains "33".
- The "Property Document" section now shows a "Choose File" button and the filename "Rfmodel.pkl".
- The "Govet ID proof" section now shows a "Choose File" button and the filename "Rmodel9.pkl".
- The red "PREDICT" button remains at the bottom.
